PETITIONING THE COURT

- ☒ To issue a warrant
☐ To issue a summons

The probation officer believes that the defendant has violated the following condition(s) of release:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
Viol. 1: "The defendant shall refrain from any unlawful use of a controlled substance"	On June 14, 2007, Gibson reported to the U.S. Probation Office as directed. Gibson submitted a urine specimen which produced positive results for cocaine. Gibson was confronted with the results of the hand-held test and he denied any illegal drug use. Confirmation of the presence of cocaine in the urine screen submitted on June 26, 2007 was received on July 3, 2007.
Viol. 2: Condition 7(w) "Follow all instructions of the probation officer"	Gibson failed to follow the probation officer's instructions by using cocaine. The probation officer warned Gibson to refrain from illegal drug use during the post-release intake interview. Gibson was also warned to refrain from associating with individuals engaged in criminal activity.

Supervision history of defendant and actions taken by officer: Gibson has performed satisfactorily while on pretrial release/EM. Gibson requested and was given permission by this officer on June 26, 2007, immediately following the urine test at the US Probation office, to pursue a separate urine screen from an outside source. Gibson did not take a separate urine screen until 6/29 /07. Please note that cocaine remains in the body for 72 hours.
